

Compartment Agreement

for the establishment and operation of Compartment 920
within Opus – Chartered Issuances S.A.
*in relation to the issuance of Certificates linked to the Finest Index
as crypto securities (Kryptowertpapiere) within the meaning of
the German Electronic Securities Act, as amended (eWpG)*

DRAFT — 18 May 2026

NOT FOR EXECUTION

THIS COMPARTMENT AGREEMENT (the “Agreement”) is made and entered into as of

[Date to be inserted upon execution]

BETWEEN

1. FI finest Investments GmbH, a company duly incorporated under the laws of Germany, with its registered office at Luegallee 12, 40545 Duesseldorf, Germany, Commercial Register: HRB 104198, Amtsgericht Duesseldorf, USt-ID: DE368580709 (“**Finest**”)

AND

2. Opus – Chartered Issuances S.A., a company duly incorporated under the laws of Luxembourg and acting as an unregulated securitisation company (société de titrisation) within the meaning of, and governed by, the Luxembourg law of 22 March 2004 on securitisation, as amended (the “**Securitisation Law**”), with its registered office at 28, Boulevard F. W. Raiffeisen, L-2411 Luxembourg, Luxembourg, and registered with the Luxembourg Trade and Companies Register under number B180859, acting in respect of its compartment 920 (“**Issuer**”)

(each a “Party” and together the “Parties”)

RECITALS

(A) The Issuer is a special purpose vehicle established under Luxembourg law for the purpose of issuing asset-backed securities through segregated compartments in accordance with the Securitisation Law.

(B) Finest possesses strong technical and business expertise in identifying and structuring financial assets suitable for securitisation and tokenization, in particular within the Cardano blockchain ecosystem.

(C) The Parties have entered into a Partnership Agreement dated 16 September 2025 (the “Partnership Agreement”) setting out the general framework for their collaboration on the issuance and management of securitised financial products.

(D) Pursuant to the Partnership Agreement, the Parties now wish to formalise the specific terms governing the establishment, operation, and administration of Compartment 920 within the Issuer for the purpose of issuing certificates linked to the Finest Next-Gen Defence Innovators Index (the “Finest Index”).

(E) In Luxembourg, compartments offer key advantages in asset segregation, investor protection, and structural flexibility: assets and liabilities are clearly separated as distinct units within a larger legal structure, investors are only exposed to risks of their chosen compartment, and new compartments can be added without interference between asset classes or strategies.

(F) This Agreement sets out the terms and conditions under which Compartment 920 shall be established, maintained, and operated.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the Parties agree as follows:

1. DEFINITIONS AND INTERPRETATION

Definitions

1.1. In this Agreement, unless the context otherwise requires, the following terms shall have the meanings set out below:

“Compartment” means Compartment 920 established within the Issuer pursuant to the Securitisation Law and this Agreement.

“Compartment Assets” means all assets allocated to the Compartment, including but not limited to investments, cash balances, receivables, hedging positions, and any other property or rights attributed to the Compartment.

“Certificates” or **“Securities”** means the electronic bearer debt securities issued by the Issuer in respect of the Compartment, linked to the performance of the Finest Index and recorded in a crypto securities register pursuant to the eWpG.

“eWpG” means the German Electronic Securities Act (Gesetz über elektronische Wertpapiere), as amended from time to time.

“Finest Index” means the Finest Next-Gen Defence Innovators Index, calculated by LIXX GmbH as Index Administrator.

“Product Conditions” means the terms and conditions applicable to each issuance of Certificates under the Compartment, as set out in the relevant Term Sheet.

“Registrar” means the entity appointed to maintain the crypto securities register for the Certificates in accordance with § 16 eWpG.

“Securitisation Law” means the Luxembourg law of 22 March 2004 on securitisation, as amended.

“Term Sheet” means the document summarising the key features and Product Conditions of each issuance of Certificates.

Interpretation

1.2. References to clauses and schedules are to clauses of, and schedules to, this Agreement. Headings are for convenience only and shall not affect interpretation.

2. ESTABLISHMENT OF THE COMPARTMENT

Creation

2.1. The Issuer hereby confirms that Compartment 920 has been, or shall be, duly established within the Issuer in accordance with the Securitisation Law, the Issuer’s articles of association, and any applicable resolutions of its board of directors.

2.2. The Compartment shall constitute a separate and distinct pool of assets and liabilities, ring-fenced from all other compartments of the Issuer and from the Issuer’s own assets and liabilities, by virtue of the Securitisation Law.

Segregation of Assets and Liabilities

2.3. The assets of the Compartment shall be available exclusively to satisfy the rights of holders of Certificates issued in respect of the Compartment and the claims of creditors whose claims have arisen in connection with the creation, operation, or liquidation of the Compartment.

2.4. No creditor of the Issuer (other than creditors of the Compartment) and no holder of securities issued by any other compartment of the Issuer shall have any right or claim against the Compartment Assets.

2.5. The Issuer shall maintain separate books and records for the Compartment, reflecting all assets, liabilities, income, and expenditure attributable thereto.

Ring-Fencing

2.6. In accordance with the Securitisation Law, the Compartment constitutes a patrimoine séparé (segregated patrimony). The rights of investors and creditors of the Compartment are strictly limited to the Compartment Assets. There shall be no recourse whatsoever to the assets of any other compartment or to the general assets of the Issuer.

3. PURPOSE AND SCOPE OF THE COMPARTMENT

3.1. The Compartment has been established for the sole purpose of:

- a) Acquiring, holding, and managing assets linked to the Finest Index;
- b) Issuing Certificates to investors, with payment obligations limited to the Compartment Assets;
- c) Entering into hedging, custody, administration, and other agreements necessary for the operation of the Compartment; and
- d) Performing all ancillary activities incidental to the foregoing.

3.2. The Compartment shall not carry out any activities unrelated to its stated purpose without the prior written consent of Finest.

4. ISSUANCE OF CERTIFICATES

General Principles

4.1. The Issuer shall issue Certificates in respect of the Compartment on terms and conditions set out in the applicable Product Conditions and Term Sheet.

4.2. Each Certificate shall be issued as a crypto security (Kryptowertpapier) within the meaning of § 4(3) eWpG and recorded in a crypto securities register maintained by the Registrar on the Cardano blockchain via a token compliant with the CIP-113 standard.

4.3. The total issuance volume shall not exceed EUR 8,000,000 within any 12-month period, in accordance with Article 3(2) of the Prospectus Regulation (EU) 2017/1129, unless the Parties agree otherwise.

Financing

4.4. The underlying assets relating to the Certificates shall be acquired, directly or indirectly, by the Compartment. Such acquisition shall be financed exclusively through the proceeds of the Certificates issued to investors.

Limited Recourse

4.5. Holders of Certificates shall have recourse only to the Compartment Assets and not to the Issuer generally or to any other compartment. This principle of limited recourse shall be clearly disclosed in all offering documents, the Product Conditions, and the Term Sheet.

5. ROLES AND RESPONSIBILITIES

Role of Finest

5.1. Finest shall be primarily responsible for:

- Sourcing and structuring: identifying, evaluating, and performing due diligence on underlying assets for the Compartment;
- Asset management: acting as asset manager or initiator for the Compartment, responsible for the ongoing management of the underlying assets in accordance with the investment strategy defined in the Term Sheet;
- Distribution support: assisting in the marketing and distribution of the Certificates;
- Regulatory documentation: preparing all required offering documents, factsheets, key information documents (KID), and securities information sheets (WIB) in compliance with applicable laws.

Role of the Issuer

5.2. The Issuer and its agents or partners shall be primarily responsible for:

- Platform and issuance: operating the securitisation platform, establishing and administering the Compartment, and facilitating the issuance of the Certificates;
- Calculation agent: acting, or appointing a duly qualified third party to act, as calculation agent in accordance with the Product Conditions;
- Paying agent: acting, or appointing a duly qualified third party to act, as paying agent for processing payments to investors and managing cash flows within the Compartment;
- Corporate services: providing all necessary corporate, administrative, and governance services to the Compartment;
- Regulatory compliance (issuance level): ensuring that the establishment and operation of the Compartment, and the issuance and settlement of the Certificates, comply with all applicable laws and regulations.

6. CUSTODY AND SAFEKEEPING

6.1. The Issuer shall ensure that the Compartment Assets are held in custody by one or more duly appointed custodians, as follows:

- Bank custodian: a credit institution responsible for the safekeeping of fiat currencies and the processing of fiat transactions;
- Crypto custodian: a specialist digital asset custodian responsible for the secure storage, access management, and transfer of digital assets held by the Compartment.

6.2. The terms of each custodian appointment shall be set out in separate agreements (the Bank Custodian Agreement and the Crypto Custodian Agreement, respectively).

6.3. The Issuer shall ensure that all Compartment Assets held with custodians are held in segregated accounts, clearly identified as belonging to the Compartment and separated from the custodian's own assets and the assets of other clients.

7. FEES AND COSTS

7.1. The fees and costs associated with the Compartment shall be fully transparent and disclosed in the Product Conditions.

7.2. The fee structure shall include:

- Structuring fee: a one-time fee for the structuring and setup of the Compartment, payable to the Issuer and/or Finest;
- Management or initiator fee: an ongoing fee payable to Finest for its role as asset manager or initiator;
- Administration fee: an ongoing fee payable to the Issuer for its administrative, calculation, and paying agent functions;
- Performance fee: a fee payable to Finest, contingent on the performance of the underlying assets exceeding a predefined benchmark.

7.3. All direct costs associated with the creation and operation of the Compartment (including legal fees, audit fees, registrar fees, and listing fees, if applicable) shall be charged to the Compartment.

7.4. The specific fee amounts and sharing arrangements shall be documented in a separate fee-sharing letter or as part of the Product Conditions approval process.

8. REDEMPTION AND SETTLEMENT

8.1. The conditions for redemption, including maturity date, early redemption options, and any applicable notice periods, shall be set forth in the Product Conditions for each issuance of Certificates.

8.2. Settlement of redemptions shall be made in accordance with the terms of the relevant Product Conditions.

8.3. The Issuer may have the right to temporarily suspend redemptions under certain exceptional circumstances, such as a disruption in the financial markets or a situation where

the disposal of underlying assets is not reasonably practicable. Such conditions shall be clearly defined in the Product Conditions.

9. REPORTING AND INFORMATION

9.1. The Issuer shall provide Finest with periodic reports on the financial position and performance of the Compartment, including the net asset value of the Compartment Assets.

9.2. Finest shall ensure that investors receive all required disclosures, including KIDs, WIBs, and periodic performance reports, in compliance with applicable regulations.

9.3. Both Parties shall cooperate in good faith to provide any information requested by regulatory authorities in relation to the Compartment.

10. REPRESENTATIONS AND WARRANTIES

10.1. Each Party represents and warrants to the other that:

- it is duly incorporated and validly existing under the laws of its jurisdiction of incorporation;
- it has the corporate power and authority to enter into and perform its obligations under this Agreement;
- the execution, delivery, and performance of this Agreement have been duly authorised;
- this Agreement constitutes a legal, valid, and binding obligation enforceable in accordance with its terms.

10.2. The Issuer additionally represents and warrants that the Compartment has been, or shall be, duly established in accordance with the German Electronic Securities Act, the Securitisation Law and its articles of association, and that the Compartment constitutes a segregated patrimony under Luxembourg law.

11. CONFIDENTIALITY

11.1. The Parties agree to keep all non-public and marked as confidential information related to this Agreement, the Compartment, the Certificates, and the investors confidential, and to use such information only for the purposes of this Agreement.

11.2. Notwithstanding the foregoing, the Parties may disclose a redacted version of this Agreement to representatives of the Cardano community in the context of a financing grant provided to Finest, and the Issuer may disclose Confidential Information to its affiliates, agents, employees, directors, and officers, as well as to service providers involved in the execution of any transaction under this Agreement.

11.3. This obligation of confidentiality shall survive the termination of this Agreement for a period of two (2) years.

12. TERM AND TERMINATION

12.1. This Agreement shall commence on the date of execution and shall continue in full force and effect until terminated by either Party.

12.2. Either Party may terminate this Agreement by providing ninety (90) days' written notice to the other Party. Termination of this Agreement shall not affect any Certificates already issued, which shall continue to be governed by their respective Product Conditions until their maturity or termination.

12.3. Either Party may terminate this Agreement with immediate effect by written notice if the other Party commits a material breach of this Agreement and fails to remedy such breach within thirty (30) days of receiving notice thereof.

12.4. Upon termination, the Parties shall cooperate in good faith to ensure the orderly wind-down of the Compartment, including the redemption of outstanding Certificates and the realisation and distribution of remaining Compartment Assets to investors.

13. GOVERNING LAW AND JURISDICTION

13.1. This Agreement shall be governed by and construed in accordance with the substantive laws of Luxembourg, without regard to its conflict of law principles.

13.2. Any dispute, controversy, or claim arising out of or in relation to this Agreement, including the validity, invalidity, breach, or termination thereof, shall exclusively be resolved by the ordinary courts of Luxembourg City (Grand Duchy of Luxembourg).

* * *

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date first written above.
